Specialprofiler

Vi omdanner din ide til virkelighed. Og vi kan hjælpe dig ud fra en skitse på et kaffefilter eller en post-it fra skurvognen ...

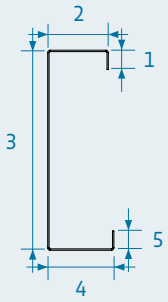

Bygningsprofiler på specialmål

Vi stanser, klipper og bukker dit bygningsprofil i den tykkelse og den længde, du foretrækker – også med avancerede hulmønstre.

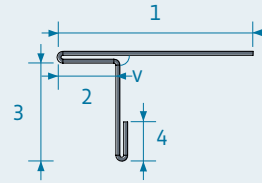

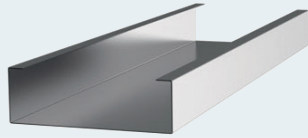

- Klip og buk-opgaver i længder op til 4200 mm
- Alu, stål, messing, zink mm.
- Hurtig levering fra fabrikken i Ishøj
- Ring 43 53 99 99
- Skriv til os bygningssprofiler@triplan.dk
